

JOIN US FOR OUR 2022-2023 SEASON

NEW CLASSES BEGIN WEDNESDAY, AUGUST 17, 2022

REGISTER NOW

Please return the registration form ASAP so that I can schedule the classes by July 15th. We will accept students until the classes are filled.

I want to thank all my students and parents for supporting the studio these last very difficult two years. I am happy to say summer classes will open and our fall classes begin on Wednesday, August 17

Scheduling of Classes

The registration forms do not have a predetermined class schedule for the year. Unlike many Dance Studios, I personally place our students in their classes. When developing the classes, we do our best to place a student based on their dance experience, and to accommodate the student's other activities as much as possible. I meet with the instructors about placement of each student. Please indicate on the back of the registration form any scheduling considerations your student may have. You will receive a notice of the day and times of the class by August 1, 2023. Inform me if the assigned day and time does not work for you, please e-mail me. Please clearly print your e-mail address on the registration form.

Correspondence

I send notices every two months with information on what is occurring at the studios. Please use my e-mail address as much as possible. Martidance@aol.com

2023 Dance Show.

The Shows will be on June 17, 2023.

We at Marti's Dance Studio believe that the annual Dance Show is a very fulfilling experience for the students. Not only does it give them the opportunity to perform for their family and friends, but it also reaffirms important life skills such as personal responsibility and cooperating with a group.

We understand that some students may have other obligations or may not choose to participate, and so we keep the costs associated with the show separate from tuition fees.

There is a \$50.00 per student show fee that is due by April 1, 2023. The show deposit will allow us to charge less for tickets on the day of the show. Foothill College theater has not set the cost of the theater for 2023. I do have a signed contract for 2023. It is important for our students to have an enjoyable time during the rehearsals and shows.

Dance Show Rehearsals

Rehearsals will be scheduled on June 16 and possibly June 15

Rehearsal attendance: All students performing in the show must attend the rehearsals. Scheduled family vacations, family emergencies and work schedule conflicts, are activities that will excuse students from rehearsals.

The theatre cannot inform me until March 2023 what their drama department class schedule is for the theater during the week. The times for the three shows will be announced later in the year.

The First of April you will receive a statement that will have the information for the Picture Day, Rehearsal Day, and the show your child will perform in. I suggest you post this notice in your child's room so that you can follow the times and days.

Dance Apparel

I will be closing our dance shoe supply this year. The shoes are on sale for 30% off for our students. I can fit your child at the studio and bill you for the shoes. For the older student I have poulettes and dance paws I have pink ballet shoes in most sizes. I have some tan jazz shoes.

All students must always wear the proper shoes for classes. All jazz shoes must be a tan color. You can wait until after the first class when the instructors will announce the style of shoes for the class.

Dancers in all **Jazz, Lyrical/Contemporary, Technic, and Ballet classes** must wear proper clothing to allow the teacher to observe each student's technique. Leotards, ballet dresses, or a form-fitting top with a ballet skirt or jazz pants are appropriate. Acro classes must wear one piece outfit or a leotard, with shorts or leggings. No T-shirts for Acro classes. Please no crop tops for classes.

Tap, Hip Hop, and all other classes have a different dress code, the teachers will discuss this dress code at the first lesson of each class.

The dress codes must be followed.

All students must make sure their hair is pulled back from their face and secured tightly in a ponytail. Short hair can wear head bands. For the safety for the students no student can dance with their hair down. No dresses or jeans for class.

Costumes.

We do our best throughout the first part of the season to locate new and exciting costumes for our dancers to wear in the 2023 show. **Costumes for the Annual Show are not included in tuition fees and are billed separately.**

We will not know the exact costume prices until later this year. The costume companies (due to the virus) will probably be raising their prices this year. The costume prices are approximately \$75.00 for Tiny Toes, \$80.00 for young students, and \$90.00 for older students. Sales tax & shipping costs are not included. I have always been cost conscience in purchasing our costumes.: Hip Hop classes we try to purchase items that can be used after the show. I place the orders by December 15, 2023.

I cannot order a costume if the deposit has not been paid.

Our October notice will have all the show and costume information on the e-mail. I place all the orders by December 15th.

TUITION CHARGES AND FEES

Registration Fee

Please submit the registration fee of \$45.00 per student with your registration form.

Annual Tuition

We added ½ month class session in August. See note below. Annual tuition fees are based on classes meeting weekly for 10 ½ months, excluding school holidays. Tuition is discounted based on the total number of classes taken by all the students in a family.

Tuition is payable monthly. You may pay in advance for the whole year, or every six months, or every two months.

Late Fees

A student cannot continue classes if tuition is past due over 30 days. All Monthly payments must be paid by the 15th of each month, or a \$10.00 late fee will be added to your account.

Tuition is the same from Sept. thru June. Some months have more than 4 lessons in a month. We do not change the tuition on the number of classes per month.
